17 PARTNERSHIPS FOR THE GOALS

Goal 9
Build resilient infrastructure,
promote sustainable
industrialization and foster
innovation

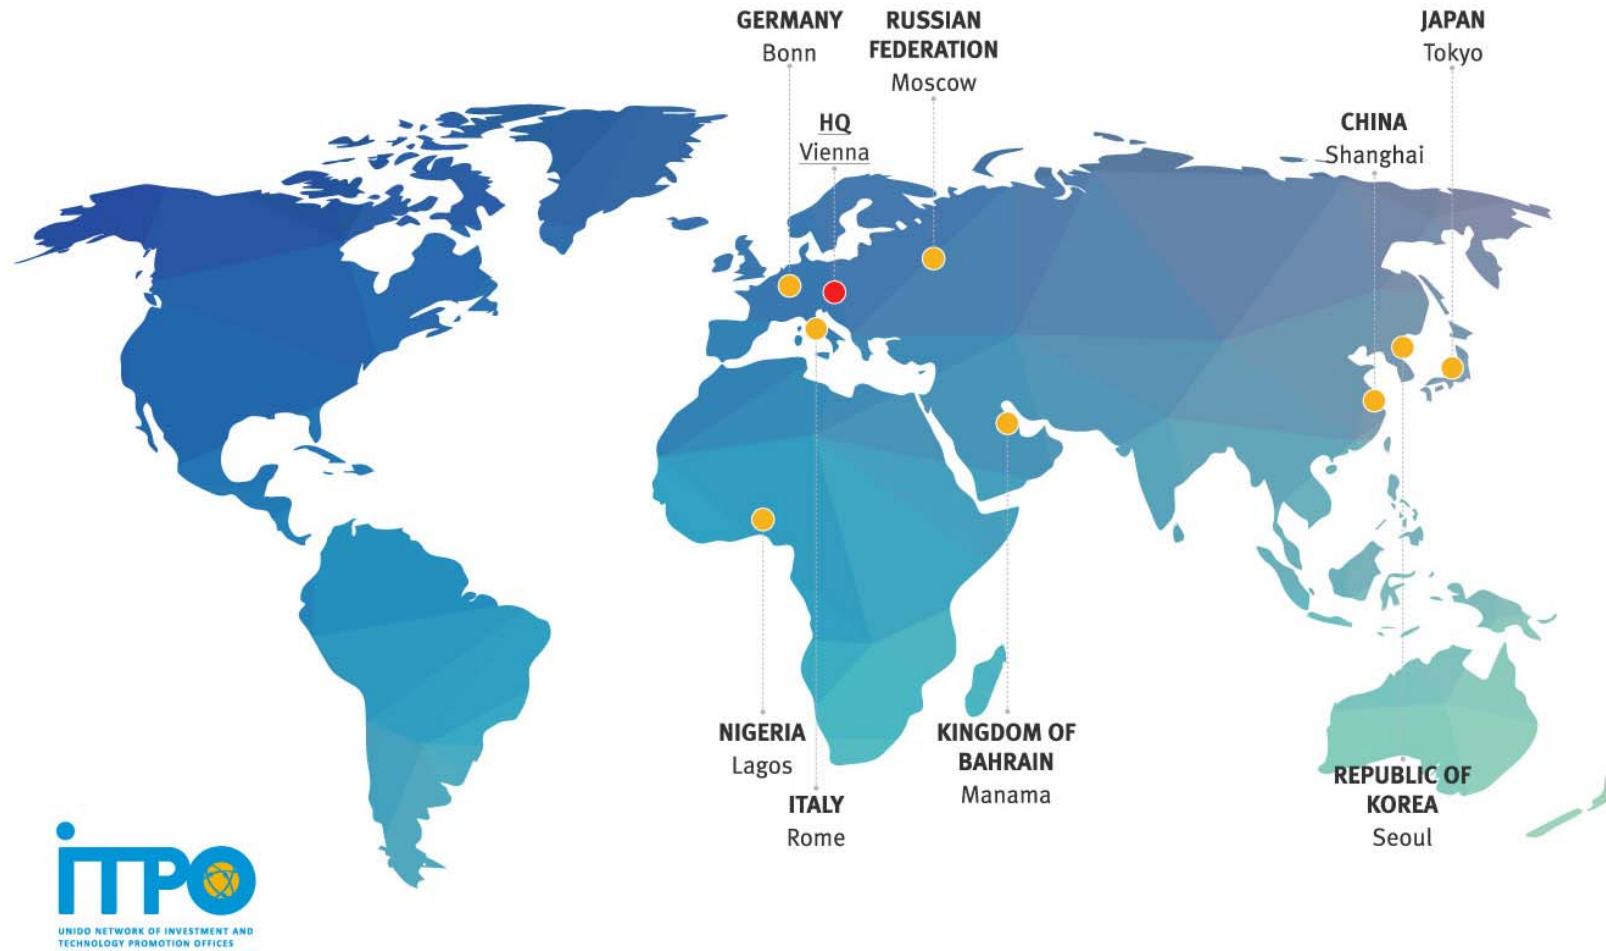

UNIDO and ITPOs

- Creation of ITPOs through **agreements** between the hosting countries and UNIDO
- **Collaboration** with public and private institutions on industrial development issues acting as international honest broker
- **Dissemination** of the latest information on the legal and economic framework, on the investment and industrial cooperation opportunities
- **Identification** and promotion of **specific** investment opportunities
- **Promotion** of investments and technology transfer through investors and technology suppliers
- Organization of **business delegations** to visit trade fairs and investment forums

UNIDO ITPO Network

UNIDO ITPO Italy

ESTABLISHMENT

The Office was established in 1985 thanks to the agreement signed between UNIDO and the Italian Government.

MANDATE

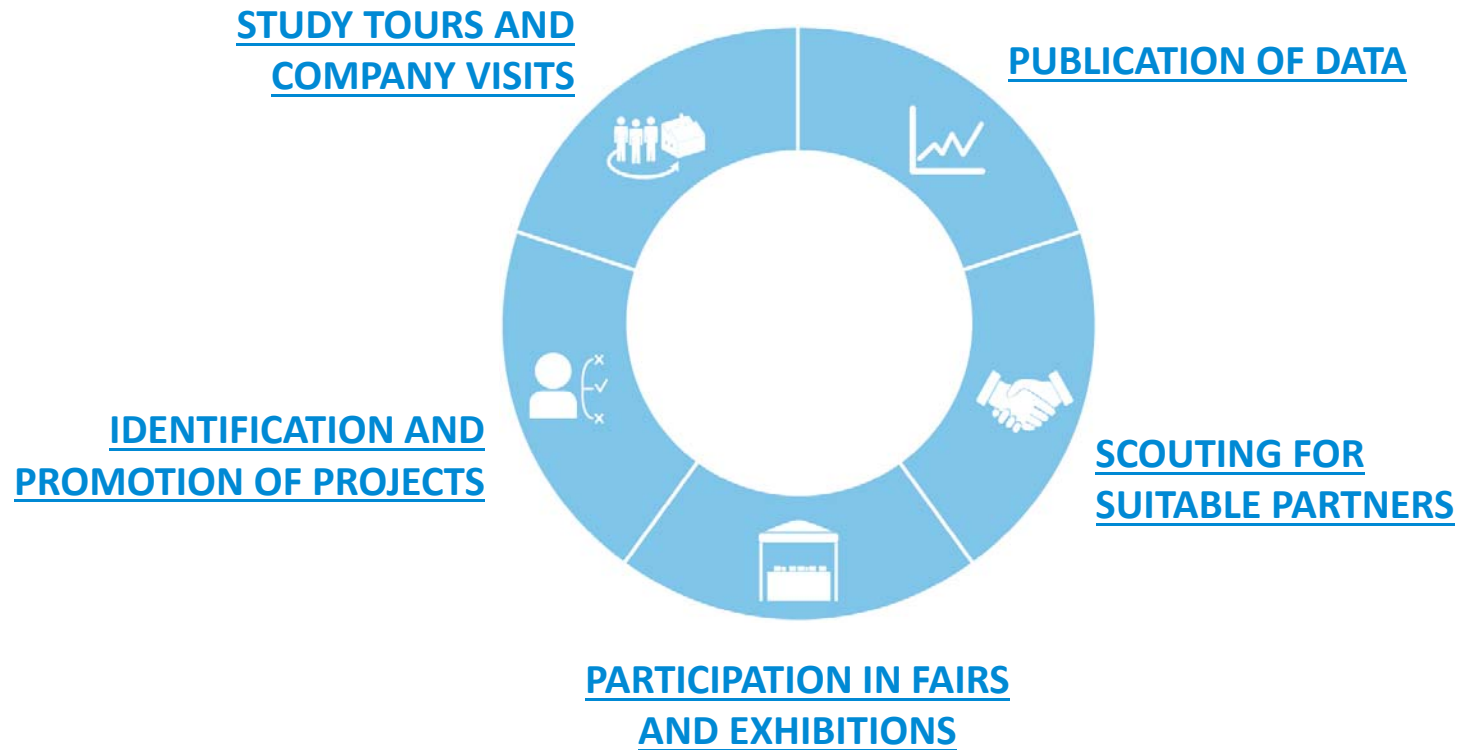

Support the competitiveness of SMEs in developing countries through the transfer of technical, administrative and management resources, required to implement industrial projects

SECTORS

The activity focuses on the main industrial sectors of Italian excellence, such as agro-industry, leather and footwear, clothing and textiles, energy and environment.

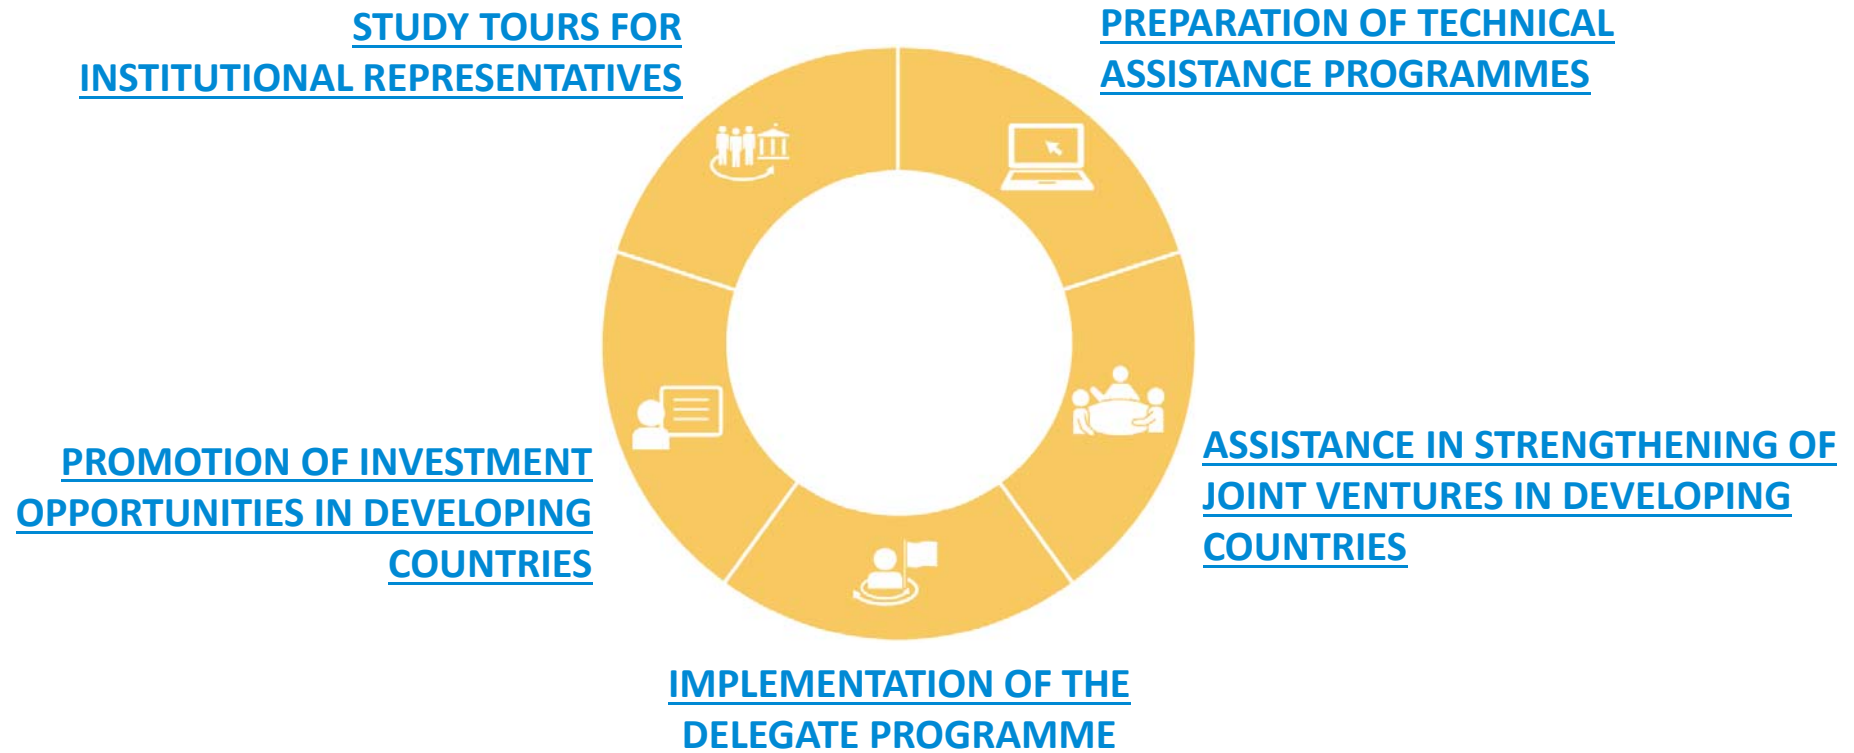

SERVICES TO COMPANIES

SERVICES TO INSTITUTIONS
